

SAFE HARBOR STATEMENT

The annual report contains forward-looking information that is subject to certain risks and uncertainties that could cause actual results to differ materially from those projected, expressed, or implied by such forward-looking information. In some cases, you can identify forward-looking statements by our use of words such as “may, will, should, anticipates, believes, expects, plans, future, intends, could, estimate, predict, potential or contingent,” the negative of these terms or other similar expressions. The Company’s actual results could differ materially from those discussed or implied herein. Factors that could cause or contribute to such differences include, but are not limited to, those discussed in the Company’s Form 10-K for the fiscal year ended June 30, 2003. Among these risks are legislative acts, changes in the prices of food, feed and other commodities, including gasoline, and macroeconomic conditions in various parts of the world. To the extent permitted under applicable law, the Company assumes no obligation to update any forward-looking statements as a result of new information or future events.
